## **JUNIOR BOARDING NEWS: Ms Naylor reports:**

Last weekend, the boarders enjoyed a very interesting visit to the Rikkyo school, where they were invited to participate in a traditional Japanese tea ceremony. We look forward to welcoming some of their students to Prior's Field next term for a traditional English afternoon tea. On Sunday, we wrapped up warm and took to the slopes for a ski lesson. The girls all had a wonderful time and have requested a return trip!

## **Sixth Form News: Mrs Picken reports:**

The sixth form have been attending various lectures this week in connection with their chosen subjects. Six girls attended a very informative talk about Floods and Climate Change at the Royal Grammar School and several went to Charterhouse to hear about Food Science.

All parents are welcome to join us for Coffee and Croissants in the Sixth Form House on Monday November 23. This will be a great opportunity to meet other parents, particularly if your daughter is a boarder.
