

pf: junior boarding

Junior boarding news: Mrs Roberts-Barter reports:

Last weekend was action-packed for the junior boarders! On Saturday afternoon, following a wonderfully busy Open Morning, the girls set off for Guildford where some of them took the opportunity to have a fish pedicure! After a few squirmy seconds, they relaxed into it and emerged with lovely soft feet, ready to hit the shops!

On Sunday, we visited Chessington World of Adventures and enjoyed the beautiful weekend weather. The queues were kind to us and some of us made the most of the sunshine and braved the very wet Rameses Revenge ride!

The weekend was punctuated by fun in the swimming pool and it was hard to believe that we weren't in the Summer term!

This weekend we have a relaxing time planned with a trip to the cinema on Saturday and a day of brunch and baking on Sunday.
