JUNIOR BOARDING NEWS: Ms Naylor reports:

Last weekend the boarders welcomed many new and excited faces to the boarding house for our taster weekend. All the girls had a brilliant time trying out the activities the boarders regularly participate in, such as pottery painting, piñata making (and breaking!), swimming in the school pool and watching X Factor with a hot chocolate! Our full boarders enjoyed showing prospective students what boarding is really like.

If any weekly boarder would like to join us on our trip to Bluewater on November 29, please do let us know! We currently have space on the coach.

Families welcome too!

Sixth Form News: Mrs Picken reports:

Monday Morning Coffee:

Please join us for coffee, croissants and a chat on Monday morning in the Sixth Form House. We would love to see as many parents as possible!
