Boarding News: Mrs Roberts-Barter reports:

Despite the snowy start to the term, we have had a busy week in the boarding house. Last weekend, we stayed 'home' making the most of the locality - shopping in Godalming on Saturday, followed by dancing for those who fancied it - Charleston Kicks quickly deteriorated into the Can-Can and a lot of giggles!

On Sunday we ventured further afield, into Guildford, where some of us saw 3D Avatar and others did some more shopping! The new gap students, Miss Lawson, Miss Pollock and Miss Robertson are settling in well and have brought with them a variety of club ideas to keep the girls' evenings full, including board games, art & crafts and movie night. This weekend we are looking forward to exeat; parents of girls returning on Sunday evening are very welcome to join us for coffee in the boarding office before they head home, as are parents of girls returning on Monday morning.

Room of the Week goes to the First Form who have all made a huge effort this week - well done girls!

PRIORSFIELD SIXTH

News from the 6th Form: Mrs Picken reports:

Despite the disruption to the beginning of term the 6th Form have settled quickly to into a positive study pattern; not only working hard, but also finding time to enjoy both the various clubs on offer and their friendships. Abby and Briony have joined KICKS dance club whilst Cheyenne and Clare have become domestic goddesses in the 6th Form Kitchen. The Head girl team, Becky, Meg and Molly have decided to hold their weekly meeting whilst using the gym in order to fit all the demands into their week. Our 2nd batch of Tante Marie Chefs has begun training and we await their first homemade dish!

Just a quick reminder – any girls who have passed their driving test and wish to bring their car to school need to collect and complete the relevant form from Mrs Picken. Many thanks.

Wednesday Top Table

From January 27th we are introducing a new dining experience for the Boarders at Prior's Field, 'Wednesday Family Service' for each year group once every half term. The girls will join staff at the 'top table' and enjoy a slightly more formal supper where we will pay special attention to manners, social skills and conversation.

Whilst we understand that the girls enjoy the normal informal suppers with their peers, we are sure that they will also benefit from the formality of 'top table' suppers and find them fun.
