## Junior Boarding News: Mrs Roberts-Barter reports:

Last weekend the boarders were kept incredibly busy. On Friday, they visited the Rikkyo Japanese school to experience Japanese culture and watch some demonstrations – please see Mme Klein’s full report and photographs below. On Saturday, some of the Rikkyo pupils came back to PF to enjoy croquet, rounders and, most importantly, traditional English afternoon tea.

The weather was kind and the girls really enjoyed spending time together – we are really hoping to arrange some more activities together. On Sunday the boarders had a fantastic day out at Thorpe Park – 7 hours of thrills on the rides left them exhausted yet ready to plan the next trip! Perhaps Chessington World of Adventures next time!

Finally, a reminder that should you need a parking permit for next Friday, they are available from the Boarding Office.

## Boarders’ Trip to Rikkyo School: Mme Klein reports:

On Friday the boarders were invited at Rikkyo school for an Open evening and they had the opportunity to see, discuss and experience Japanese culture. Amongst other activities the girls tried their hands at Kendama, Koma, Ayatori, Origami & Shodo. We also had the great pleasure of watching an impressive Kendo demonstration and the traditional Tea Ceremony dating back from the 16th century.

Here are some of the girls’ reactions:

Emma: "Origami was great fun and the chopsticks were really challenging"

Jinny: "It was an amazing evening"
