Junior Boarding: Mrs Roberts-Barter reports:

The Boarders had a busy weekend, starting on Friday with a 'tuck run' to Sainsbury's after supper and on Saturday, ice skating at Guildford Spectrum.

On Sunday the weather was kind to us as we boarded the open air bus to tour around Oxford city centre. The sun shone as we soaked up the atmosphere and marvelled at the architecture!

Pink Tea Plea

If you have any pink gifts/items you are able to donate to the Pink Tombola at the Pink Tea on Monday, could you please leave them in the front office, for the attention of Mrs R-B on Monday morning. Many thanks in advance!

End of term – Boarding Houses:

A message from Ms Picken and Mrs Roberts-Barter:

As the end of term rolls towards us we are encouraging the boarders to start getting ready to pack up their rooms for the holidays. All Full boarders (except U6th) will be assisted by staff and can store their belongings safely at school over the summer. All other boarders are expected to take all belongings home over the summer. In order to help with the logistics of this we suggest they gradually take items away over the next two weekends – which should help with the packing in the last week, and hopefully allow you to fit everything in on Speech Day!

On Sat 3rd July both boarding houses will be open from 8 am – 9.30am for parents to collect belongings if you wish to do this before attending Speech day. We will ensure there are some suitable refreshments available! We will close the houses at 9.30 – 11.30am to allow for time for everyone to be seated in the Sports Hall.

If you need a red parking permit, please drop into the boarding office and we will be happy to provide you with one. Please do contact Deborah Roberts-Barter or Emma Picken if you have any queries.
