

## **Sporting News: Miss Trudgeon reports:**

Last Saturday, braving the wind and the rain, Mrs Farnell took the intermediate cross-country team to the regional finals of the ESSA Cross Country Cup. The team was unfortunately hit by illness but Emily Alexander-High(4th), Bella Milliken(20th), Kate Alexander(28th) and Susannah Moore(34th) rose to the challenge and finished in a credible 4th place. Unfortunately they will not proceed onto the National Finals, but this was an excellent effort by all the runners. Well done!

On Wednesday, the **U16 XI** travelled to Kingston Grammar for the semi final of the Surrey Plate competition. The students had a very exciting match against JAGS with lots of short corner opportunities. The final score resulted in a 2-0 victory to PF and the girls proceeded to the final at Surbiton Hockey Club. 'Players of the match' were Celia Hall and Alicia Collyear. In the final against CLFS, the girls battled hard but were unable to convert their scoring changes. At the final whistle the score was 4-0 to CLFS. Well done to all the players as this was an excellent achievement. Bella Milliken was awarded 'Player of the match'.

Also on Wednesday, the **U15** and **U14** netball teams played against Sir William Perkins's at home. All the regular practice has played off and the girls had two convincing wins - **U15 VII** W12-8 and the **U14VII** W24-2. Players of the match were awarded to Harriet Martin and Tabitha Wale. Good luck to the **U14VII** who are playing in the first round of the National Schools Netball Tournament on Saturday at Guildford High School.

On Thursday, the Waverley Cross Country trials were held at Charterhouse. There were many excellent performances from students in the second to fifth form. Final results will be in next week's bulletin.
