

## **Sporting News: Miss Trudgeon reports:**

This week the Senior hockey teams have been braving the pouring rain with fixtures against Kent College, Pembury, Churcher's and Farlington. The **U15X1** had a busy morning last Saturday playing against Kent College and a visiting American team from Kent's Hill. They lost 1-0 to Kent College and 3-2 to the American team, but it was good to see some new faces representing the school with such enthusiasm. The squad managed to end the week on a high with a 6-0 win over Farlington School with Hannah Larwood scoring 4 goals and Celia Hall another two goals. Well done to all the players and we would like to award them 'Team of the week!'.

The **1st X1** had a tough match on Saturday at Kent College losing 4-0 but the girls played well. Unfortunately, a number of usual team members were missing. They followed this with a very exciting but wet match against Churcher's on Wednesday. All the players fought with determination and fought to the final whistle, but were unlucky to concede a goal to the opposition. Well done to Sophie Ward who earned the 'Player of the Match' award. The following **2nd X1** match was just as exciting and the girls committed themselves from the whistle. They lost 1-0 but they played with enthusiasm. Well done to Phoebe Buckley who was also awarded 'Player of the Match'.

Good Luck to the 8 hockey teams playing on Saturday against Churcher's College. Please make sure that you bring some warm & waterproof clothing!

## **Miss Gordon reports:**

On Saturday, PF played hockey against an American touring school called Kents Hill. Unfortunately they lost 3-2 but they played very well.

One of the school's key (or maybe core) values is sportsmanship and their captain gave a lovely speech on that and declared Alex Herson and Hannah Larwood as MVP - *Most Valuable Players*.
