

Sporting News: Miss Trudgeon reports:

The senior netball teams had a good start to the week with two emphatic wins against The Royal. The 1st V11 played with determination until the final whistle where they achieved a well deserved 10-9 win. Well done to Ginny Neill and Lucy Minihan who were awarded 'players of the match'. In the second match, the 2nd V11 quickly found their rhythm and they developed a comfortable lead which they built on in every quarter. The final result was 19-11 with Celia Hall being awarded 'Player of the Match'. Well done to both teams for your hard work and high level of motivation.

On Wednesday, the U13 A, B and C V11 and the U12 V11 had home fixtures against Danes Hill. The U12V11 took a while to settle which allowed their opposition to gain a 5-0 advantage in the 1st quarter. However, we slowly began to settle and the girls started to intercept and defend with great success. The final result was 15-9 to Danes Hill but the PF squad began to show their true potential. Well done girls and well done to Sophie Love who was awarded 'Player of the Match'. The U13 A team played a tough match with two regular players missing but it was a good start to their season. The U13 B team drew 10-10 with some excellent shooting and defending throughout and the U13 C team lost 15-10. Well done to all the girls who played in their first match of the season. Katie Gass, Lottie Williams and Sasha Kennington were named 'Players of the Match'.

In the U12 and U13 Surrey Tournaments, our teams faced some tough opposition but the girls showed excellent progress throughout the tournaments. The U13 V11 managed a 5-3 win over St Teresa's and the U12 V11 a 4-3 win over Felton Fleet School. It was an excellent experience for all the players and hopefully it was good preparation for the PF tournament on Open Day.

A quick reminder that all students – day girls and boarders - should now have a lock on their PE locker. Mrs Farnell will be holding detentions in the next few days for all those students without one. Also please can you remind your daughter that now that they have a lock they need to put their clothes inside their locker and lock them in. We still have a huge mound of lost property!
