

Sporting News: Miss Trudgeon reports:

This week the track athletes had their first fixture at St. Catherine's. The event consisted of a series of relay races which tested their fitness levels to the max! There were many outstanding performances across the age groups and it was good to see so many students competing for Prior's Field for the first time. Well done to everyone who raced on the day. The final result:

1st Guildford High School
2nd Prior's Field
3rd St. Catherine's

On Saturday, we are looking forward to seeing the whole Athletics team out for our annual athletics meet against eight visiting schools from across the South East.

Our tennis teams have continued to have a busy week. The U15 A team lost 6-3 to Guildford High School but there were some very close matches going to a tie break. The U13 tennis team have had a very successful week beating Danes Hill 16-0 and Tormead 6-3. The players are to be commended for their consistency and determination when things don't seem to be going their way. The U14 B team had their first fixture against Tormead which unfortunately saw them losing 9-0 but the students played with excellent spirit and a sense of fun.

In Rounders, the U18 team has had two friendly matches against Charterhouse and Guildford High School. Unfortunately, they were outplayed in both but the girls fought with enthusiasm and seemed to enjoy their last few fixtures. On Thursday the U13, U14 and U15 rounders squads played Tormead. The sun finally shone and the girls were able to enjoy the match in fine weather. The U13's dominated from the first ball and finished with a 331/2 - 3 win and the U15 rounders team also played with a good level of skill to win 161/2 - 12. The U14 team were not so lucky but they held Tormead up to the last few rounders, finally losing 20-171/2.

Well done to everyone who has participated in fixtures so far this week. Good luck to the U15 Aegon tennis team against Notre Dame on Friday and the Athletics Team on Saturday morning.
