In athletics, there have been some very exciting performances from over 50 of our students. Last Saturday we held a 9 school athletics meet with Prior's Field coming 3rd behind Portsmouth Grammar School and Guildford High School. On Tuesday, a number of athletes competed in the Waverley Athletics Trials on a bitterly cold day. Many of the athletes achieved personal best times and we will wait to hear if any of our students are selected for the Waverley Team. This Thursday we hosted 5 schools in a 1st and 2nd Form Athletics Meets. It was excellent to see so many of our 1st and 2nd Form students taking part in the event and they achieved some very strong results.

Well done to everyone who has taken part in fixtures this week. It has been a pleasure for the PE department to see so many students taking part in so many different events.

Good Luck to all the students who are playing in the rounders and tennis fixtures on Saturday against Woldingham.
