

Sporting News: Miss Trudgeon reports:

On Thursday, the U13 and U15 tennis teams played St Catherine's in an Aegon match. The U13 team showed a good level of versatility in both the singles and doubles matches winning 4-2. Well done to Sasha Kennington, Antonia Kennington, Anna Hudson and Sophie Roberts for their enthusiasm and I was very impressed with the support that they give each other when points didn't go their way.

The U15 team had a more challenging start, winning one out of the four singles matches which meant that they had to win both doubles matches to draw and hopefully win the match. Daisy Puddle and Tayla Boon quickly rose to the challenge and took control of their match, finally winning 6-3 against St Catherine's second pair. Rose Phillips and Hannah Larwood had a more daunting task against the number one pair but they started strongly building a 4-0 lead. However, their opposition fought back to 5-5 and the girls played a nerve wracking tie break. Rose and Hannah led from the first serve and finished the tie-break with a 7-5 win. This resulted in a 6-5 win, an excellent result! The final score was a 3-3 tie in matches but on count back, St Catherine's won 29-28 on games.

Well done to all the girls who played. It was a pleasure to sit and watch the exciting matches and the good level of sportsmanship that our students showed!

Just a quick reminder that there are a lot of fixtures after half term. Please can you check the notice boards and the website carefully. Also Sports Day is on Friday 18th June starting at 1.30pm. All spectators are very welcome!
