

Sporting News: Miss Gordon reports:

This week, Prior's Field have had excellent results on the sports field with nearly all teams recording wins. You have set high standards for yourselves now girls and the PE department expects you to maintain and improve on these in the coming weeks!

On Monday all senior netball teams were in action against Surbiton High School. All three teams were victorious and some exciting netball was played, although fitness, or lack of it, may have helped to have seen Surbiton off more convincingly! Particularly well done to the U15 team who were masquerading as our 2nd VII. They even showed outstanding sportsmanship by lending the opposition a player. The results were as follows:

A team – PF won 17-16 (player of the match Alicia Collyear)
B team – PF won 18-12 (player of the match Charlotte Hardy)
C team – PF won 17-7 (player of the match Laura Oakley)

The U12 netball teams had their first away match of the season and travelled to Clarendon. They unfortunately lost 7-1 after their opponents had a last quarter flurry of goals, while the B team won 6-3. Players of the match were awarded to Rebecca Dore and Lottie Norman. The U13s played their netball at home to Clarendon. The A team won 16-5 and player of the match was Grace Cerveny. After half time we were reduced to 6 players due to injury and Grace played 2 positions which makes her player of the match performance even more impressive! The B team won 13-9 and their player of the match was Holly Denham. Also on Tuesday, the U15XI played Frensham Heights in a shorter than expected match, but they still managed to knock 5 goals in past the opposition. Goals came from Holly Smith (2), Abbey Prichard, Holly Morganti and Libby Savill.

On Wednesday, the U14 A Netball team beat Clarendon 20-11 and our player of the match was newly announced captain, Beatrice Speelmans. The B team won 8-6 with Ash Davies awarded player of the match.

The U15 netball teams played Clarendon at home. The A team won 23-10 and player of the match was Hannah Knights, after an excellent performance. Special mention must also go to Sabine Friedrich who played exceptionally as well. The B team also recorded a victory, winning 27-1. Emma Kendall was player of the match but the shooters, Katie Gass and Charlotte Hardy barely missed a shot! Fantastic results girls!

The U12As had their first hockey match of the season away to Farnborough Hill. Unfortunately, the team lost 3-1. It was a tough match but the team learned a great deal. We have lots to improve on in the coming weeks at training and in lessons. Player of the match was given to Rebecca Dore. Holly Hunt made her first appearance in the goal and should also be commended for her performance. Unfortunately the U13 match against Frensham Heights was cancelled by the opposition

Good luck to the U12 A and B 7 a-side Hockey teams taking part in our Open Day Tournament on Saturday. Parents are very welcome to support the teams on Saturday morning.

"There are no shortcuts to any place worth going."
