Sporting News: Miss Gordon reports:

On Saturday, the junior hockey teams played St Marys, Ascot. At home, the U14 team won 4-0 with Lucy Collecot named as player of the match. In the away matches, the U12B team won 5-0 with Daisy Phillips putting in a player of the match performance, while the U12C team won 8-0! Olivia Bowie was player of the match. This is an excellent set of results by our junior teams! The U13B team also won away from home in a 3-2 victory and Chloe Mayhead was named as player of the match. Unfortunately the U13C lost 3-1 in an exciting game and their player of the match was Hattie Lunt.

On Monday evening, Great Britain Olympian, Beth Storry, who is the GB and England hockey goal keeper, gave a master class in the art of goal keeping to seven of our goalies (three of whom are involved in Surrey teams; Olympians of the future?!). The girls learned a lot from this expert and will now be seen diving around like professionals, thanks to Beth!

On Tuesday, the 1st XI played their first match of the season against Charterhouse. The team played some excellent hockey, the best of the season so far, but narrowly lost 3-2 in an extremely close match. Maddie Prestwich made some amazing saves and helped to keep the score close and Alicia Collyear was unlucky not to score with a thumping shot from top D which hit the post!

On Wednesday, the U15XI travelled to Surbiton and put in an excellent team performance. They dominated the match from start to finish and won 2-0 overall. Libby Savill and Abbey Prichard were named as players of the match.

The U13XI played in only their third 11-a-side hockey match against Guildford High's combined U12, 13 and 14 hockey team on Thursday. It was an end to end match with some fantastic hockey played by both teams. Sinead Kay was the player of the match after her explosive drives through towards goal and she was unlucky not to score in this 0-0 draw.

"If you believe you can, you probably can. If you believe you won't, you most assuredly won't. Belief is the ignition switch that gets you off the launching pad."
